BRAZEN BEASTS

5

The Brazen Beasts, established by Daenerys Targaryen, patrol the streets of Meereen, one of the great Slaver Cities. Their name comes from the bronze masks they wear, molded to have the visage of giant cats, raptors, and bears. Their creation helped lessen the burden on the Unsullied, who were often targets of assassination as they patrolled. The Beasts lack fear, charging at their enemies in the narrow streets, cutting them down in close combat.

LIMITED
Your army may only contain up to 2 Dothraki Hrakkars.

DOTHRAKI HRAKKARS

4

Taming one of the great white lions of the Dothraki Sea is a feat accomplished by only the mightiest khalasars. These powerful beasts match even the famed Stark Direwolves in terms of conferred status, and a Hrakkar in war is just as fearsome a sight on the field. Fast, deadly, and above all stealthy, troops facing the Dothraki should beware of sudden attacks from unsuspected quarters by lurking Hrakkars.

DOTHRAKI OUTRIDERS

As scouts, the Dothraki Outriders have few equals on their home terrain, but once battle is engaged, the true threat emerges: ranged combat power delivered from horseback. While typical archers plague any foot-bound force, the ability to strike from a distance, then whisk away on horseback gives the Dothraki a powerful capability that can only be countered by swift cavalry or archers. That said, Outriders should take care to remain mobile.

DOTHRAKI SCREAMERS

While it would be easy to categorize the Dothraki as a mindless horde of screaming barbarians, their method of attack looks precisely as such to the untrained eye. A Dothraki khalasar can have many thousand horsemen, even the least of which has spent more of his life in the saddle than otherwise. Although lightly armored, Dothraki horsemanship is honed to such a degree that it's difficult to land a blade on them, even when engaged in close melee.

DOTHRAKI VETERANS

8

Superior Dothraki horsemanship finds its pinnacle in the Dothraki Veterans. Adept with both blade and bow, Veterans soften up their chosen prey with deadly arrows before a brutal charge, slashing left and right with their razor-sharp arakhs. As adept as Dothraki horsemanship can be, the Veterans take this skill to unimaginable heights, with man and mount moving in perfect precision even in the midst of the fiercest melee.

DROGON

7

CHARACTER

May only be fielded in an army containing Daenerys Targaryen.

Drogon is named for Daenerys Targaryen's deceased husband Khal Drogo. His scales are solid black, with blood red horns and crest. His eyes are described as 'smoldering red pits'. While nowhere near fully grown, Drogon's current size (and especially his temperament) makes him one of the deadliest creatures in the world. With unparalleled movement capabilities and breathing fire, Drogon can be anywhere on the field and kill anything he wishes.

CHARACTER

May only be fielded in an army containing Khal Drogo. He must be attached to this unit.

DROGO'S BLOODRIDERS

Bloodriders of the Dothraki in Essos pledge their blood and lives to their khal as constant companions, bodyguards, and lieutenants. A Bloodrider's oath is unbreakable, and they obey their lord even unto death. Serving Khal Drogo as individual leaders or riding with their khal on the field are Cohollo, Haggo, and Qotho, each a skilled and deadly warrior easily besting ten times their number.

FREEDMEN

When Daenerys Targaryen swept across Essos, she freed slaves by the tens of thousands. While she may not have been specifically looking for a fighting force, now her ranks do not lack for numbers, as Freedmen and women gather up spare blades, picks, scythes, or simple clubs in her service. The Freedmen are numerous, but lacking in training or discipline. They can fill out a force, but should not be relied on to hold the line.

JORAH MORMONT
THE WANDERING KNIGHT

"There are ghosts everywhere. We carry them with us wherever we go."

Whatever one thinks of Ser Jorah Mormont's personal dealings and checkered past, his skill-at-arms earned him respect among the Dothraki, no simple feat. As a veteran of multiple wars and later a sellsword, his expert eye can pick out vulnerabilities in the enemy ranks for nearby troops to exploit. Ser Jorah prefers to remain mounted in combat, and his horsemanship exceeds many of his Western counterparts.

PIT FIGHTERS

6

Gladiatorial combat is one of the most popular (and most dangerous) forms of entertainment. Since these enslaved fighters must compete in all forms of combat, they must be prepared for anything, despite their lack of formal training and hodge-podge of gear. After being freed by Daenerys, they've pledged their allegiance to her. And despite their lack of experience in open-field battle, enemy commanders would do well to not underestimate these unconventional fighters.

While nowhere near fully grown, Rhaegal's current size still makes him one of the most dangerous creatures in the world. With unparalleled movement capabilities and breathing fire, Rhaegal can be anywhere on the field and kill anything he wishes.

STORMCROW ARCHERS

6

A Stormcrow is a Stormcrow, whether wielding blade, bow, or both. Money remains the prime motivator in the Stormcrow mind, and extra coin can prod added effort from these mercenaries. Stormcrow Archers are adept in long-range combat, with recurved longbows and arrows made for distant flight. They're not meant for melee, though their shortswords can fend off weakened attackers. Still, a wise commander will keep them far from flankers or cavalry.

UNSULLIED PIKEMEN

Although considered to be in light armor by western standards, Unsullied Pikemen fight in lockstep formations according to doctrines laid down by the Old Empire of Ghis. An Unsullied phalanx with shields locked is nigh unbreakable to cavalry charge, and even more nimble foot troops would have a difficult time getting past the wall of spears. While taking this unit by surprise is difficult, a commander should beware their becoming encircled.

UNSULLIED SWORDMASTERS

UNSULLIED SWORDMASTERS

Only one in three prospects for the famed Unsullied survive the brutal training process. These fearsome eunuch legions are renowned for their individual skill and unshakable discipline.
